## THE MEETING OF SUPERINTENDENTS OF TRAINING-SCHOOLS.

The twelfth annual meeting of the American Society of Superintendents of Training Schools for Nurses will be held in New York City on April 25th, 26th, and 27th, at the Academy of Medicine, 17, 19, 21 West Forty-third Street.

The first session will be on Wednesday morning at 11 o'clock.

After the morning session, the Society will be entertained at lunch at Delmonico's by the alumnae associations of New York City.

The afternoon session will open at 3 o'clock.

The New York Hospital Nurses Club will entertain the Society at a tea at their clubhouse, 8 West Ninety-second Street, from 4 to 6 P.M.

The exhibit at the Nurses' Settlement will be open at 7 P.M.

The morning session on Thursday will be at 10 o'clock, and the afternoon session at 2.

The Society is invited to inspect the Nurses Settlement exhibit from 4 to 6 o'clock.

There will be a reception at the Florence Nightingale Hall, of the Presbyterian Hospital, at 9 o'clock.

The morning session on Friday will be at 10 o'clock. A demonstration of some practical methods of nursing will be given in the Sims Operating Room at Roosevelt Hospital from 3 to 5 in the afternoon. The following committee is in charge: Chairman, Miss Van Kirk, of Mt. Sinai Hospital; Miss Samuel, of Roosevelt Hospital; Miss Wilson, of St. Luke's Hospital; Miss Rykert, of the Post Graduate Hospital.

The residents of the Nurses Settlement have extended a cordial invitation to the Superintendents' Society to visit the Settlement on Wednesday evening and Thursday afternoon. The houses will be thrown open to the visitors, but they will perhaps be most interested in the exhibit of visiting nurse's work. This small exhibition will be held in a neighboring tenement-house and will be designed to show the adjustment of a few of the best methods of nursing to the appliances that may be gotten together in the ordinary home of the poor man. In connection with this Miss Rogers, Supervising School Nurse, will also display the very simple and economical outlay necessary for the establishment of a nurse in public-school work.

The following hotels are suggested to members:

Hotel Manhattan, Forty-second Street and Madison Avenue, New York City; \$2.50 per day.

The Murray Hill Hotel, Fortieth Street and Park Avenue; \$2 to \$4 per day.

The Holland House, Fifth Avenue and Twenty-ninth Street; \$2.50 per day.
